EDUCATION

2016-2017

MATERO BOYS SEC SCHOOL

- Junior Secondary School certificate

2018-2020

LUSAKA BOYS HIGH SCHOOL

- Senior Secondary School Certificate

2023-PRESENT

CONCORDIA UNIVERSITY

- Bachelor of Computer Science

TECHNICAL SKILLS

- **Languages:** Java, Python, C, JavaScript
- **Concepts:** Data Structures & Algorithms, Object-Oriented Programming (OOP), Software Development Life Cycle (SDLC)
- **Tools:** Git, Github, linux, Docker, VS Code

LANGUAGES

- English: Fluent

PROFILE SUMMARY

Computer Science student with experience building and debugging applications using Java, Python, and C. Strong foundation in data structures, algorithms, and object-oriented design, with hands-on experience using Git and Linux-based tools. Seeking a software engineering internship to contribute to real-world systems and continue developing technical skills.

PROJECTS

TakShop - Backend Developer (Team Project, In Progress)

Python, FastAPI, SQLAlchemy, Docker, Git

- Designed backend data models and RESTful APIs with authentication and validation
- collaborated in a team using git and applied SDLC principles

Student Scheduling Planner - Developer (Personal Project, In Progress)

Java/Python, Data Structures, Algorithms

- Built a scheduling system to manage classes, tasks, deadlines, and time constraints
- implemented core logic using efficient data structure and modular design

WORK EXPERIENCE

Mutasha Academy

2021-2022

Secretary/Assistant

- Produced and distributed test papers, newsletters, and student communications, ensuring the timely delivery of academic materials.
- Maintained accurate financial records by tracking student fee payments and reconciling bank deposits.
- Streamlined School fee management processes, including issuing receipts and updating financial records.

Retailers Nike-Royalmount

2024 - Present

Back or House (BOH)

- Support front-line sales by efficiently retrieving and organising footwear, apparel, and accessories from inventory.
- Assisted with back-of-house operations, including shipment intake, sensor tagging, and stockroom organisation.
- Stepped in to assist sales associates during peak hours, contributing to a seamless customer experience and faster service delivery.
